## Psychology Press and Routledge Classic Editions

The *Psychology Press and Routledge Classic Editions* series celebrates a commitment to excellence in scholarship, teaching, and learning within the field of Psychology. The books in this series are widely recognized as timeless classics, of continuing importance for both students and researchers. Each title contains a completely new introduction which explores what has changed since the books were first published, where the field might go from here, and why these books are as relevant now as ever. Written by recognized experts, and covering core areas of the subject, the *Psychology Press and Routledge Classic Editions* series presents fundamental ideas to a new generation.
